Jacquelyn,

Here is the signed agreement we got back. Can you forward a copy to Judge Lovier's office also.

We will be headed into the next EIC push here in the coming weeks and I wanted to extend the opportunity to receive training again if needed. Just let me know if you want/need it and we will make arrangements to get with you to complete it. This is not required, just wanted to make sure we are providing support as needed.

If you have any questions or need any additional information, please let me know and I will be happy to assist.
